Sub: Policies for Inter-stream Migration.

Ref: Minutes of the 2019-1/53rd meeting of the Senate.

The Senate in its 2019-1/53rd meeting approved the following Policies for Inter-stream Migration:

Inter-stream migration will be permitted only at the end of first year of studies. A maximum of 10% of seats sanctioned for each stream will be permitted to opt out of the stream and join another stream. The CPI at the end of the first year will be the deciding factors for shortlisting the candidates for migration.

Eligibility of Migration

- Student should have no 'F' grade in the regular semesters of 1st year. Re-examination results will not be considered for migration.
- In order to migrate to Economic Sciences & Engineering Sciences, mathematics is mandatory at 10 + 2.

Completion of missed laboratory and theory courses in migrated stream

Laboratory Courses: Departments will conduct laboratory courses in the month of July for students approved for migration of stream. Students will be charged @ Rs. 5000/- per laboratory course. Students must register and clear pending laboratory courses of first year in the following summer, pending which migration will be cancelled. Student must register for these courses on Shiksha Portal during the 3rd Semester.

Theory Courses: Students must register and clear all missed theory courses any time before graduation, pending which degree will not be awarded.
