परिपत्र / Circular

Sub: Attendance Requirements for Repeat/Improvement Courses – reg.

Ref: Minutes of the 2024-1/78th Senate meeting dated March 13, 2024 (Item No. 4).

The Senate vide minutes referenced above has approved that if students have previously achieved the 75% minimum attendance for a particular course, the attendance requirement may be waived for Repeat/Improvement courses.

However, considering the non-availability of attendance records for all courses, the minimum attendance requirement of 75% may temporarily be exempted for repeat and improvement courses for a single cycle. Nevertheless, these students must actively participate in all quizzes, examinations etc., and fulfil all assignment obligations.

After completing one cycle, if a student has already met the 75% minimum attendance requirement for the course in a previous instance, it will not be mandatory for subsequent repeat and improvement courses.

This is for information and necessary action by all concerned.
