Sub: Amendment in the provisions to change of Major Discipline.

Ref: 1. Undergraduate Programmes Manual - 2020 Clause No. 5.2.

2. Minutes of the 2023-4/76th Senate meeting dated September 21, 2023 (Item No. 6).

The competent authority has approved the change in the provisions specified in the Undergraduate Programmes Manual - 2020 Clause No. 5.2, as follows:

5.2 Change of 'Major' Discipline

A student can change his/her 'Major' before the start of the VII semester (4th year) with prior approval of the Head of the Department to which the student wishes to migrate subject to availability of the seats, under intimation to the Head of the current 'Major' discipline. The CPI at the end of the third year will be the deciding factor for the Major Change and a year drop is mandatory to ensure that a student changing her/his 'Major' fulfils curriculum requirements. Also, migrations will be permitted only at the start of odd semesters. If a student chooses to change his/her 'Major', he/she should do so within the add/drop deadline.

The Major change request at the start of the VII Semester (4th year) will be supernumerary and a maximum of 5% of the sanctioned seats of the department be allotted for this purpose (inflow). Also, a maximum of 10% of the seats sanctioned for each department will be permitted to change their major (outflow).

For a student, only one major change requests will be considered, upon due recommendations of the AACS, during the entire course of study.

The successful completion of all courses and other requirements, as laid down by the Department in which the student wants to 'Major', is mandatory for award of degree with that 'Major'.

This will supersede all the previous orders/clauses in this regard.
