October 24, 2018

Office Order

Subject: Four year BS programme in Engineering Sciences.

The Board of Governors at its 2018-3/32nd meeting held on August 17, 2018 resolved to approve restructuring of the existing 5 year BS-MS Programme in Engineering Sciences to a 4 year BS program leading to a Dual Degree of BS-MS (by spending an additional year), in accordance with the norms for the BS-MS (Dual Degree) Programme. This will be implemented from the 2017 batch onwards.

The student may either opt to exit the programme with a BS degree or obtain a BS-MS (Dual Degree) after completion of the MS-thesis. The choice form to continue with the MS-thesis must be submitted to Office of Academic Affairs before the commencement of the end-semester exam of the 8th semester.

Dean, Academic Affairs
