Institute is considering the starting of teaching in physical mode during upcoming semester for the students except first year BS and BS-MS students. However, In view of the new strain of Corona, the final decision on the mode of teaching will be taken after December 20, 2021.

For the first year BS and BS-MS students the classes for 2021-22-I Semester will start in Online Mode and the situation may be reviewed after sometime.

The weightages for different components of the assessment for the upcoming semester will be as follows:

S. No.	Component	Weightage
1.	Mid Semester Examination	30%
2.	End Semester Examination	30%
3.	Continuous Assessment (Minimum 02 quizzes/assignments/tern paper/seminar/attendance etc.)	40%

The decision to give 10% weightage for attendance will be left to the respective course instructor(s). Also, this weightage for attendance should be kept within 40% weightage marked for Continuous Assessment.

Additionally, the course instructors are permitted to conduct the quizzes and assignments in the week prior to commencement of the end-semester examination in view of the reduced weightage for the End-semester Examinations.

The student will be awarded final grades based on all the above three components. The course instructor may award any of the letter grades i.e. "O, A, B, C, D, F" or "S/X", wherever applicable.
